Lab #6

There is an amazing ggplot2 tutorial on RBloggers.

https://www.r-bloggers.com/2020/08/graphics-in-r-with-ggplot2/
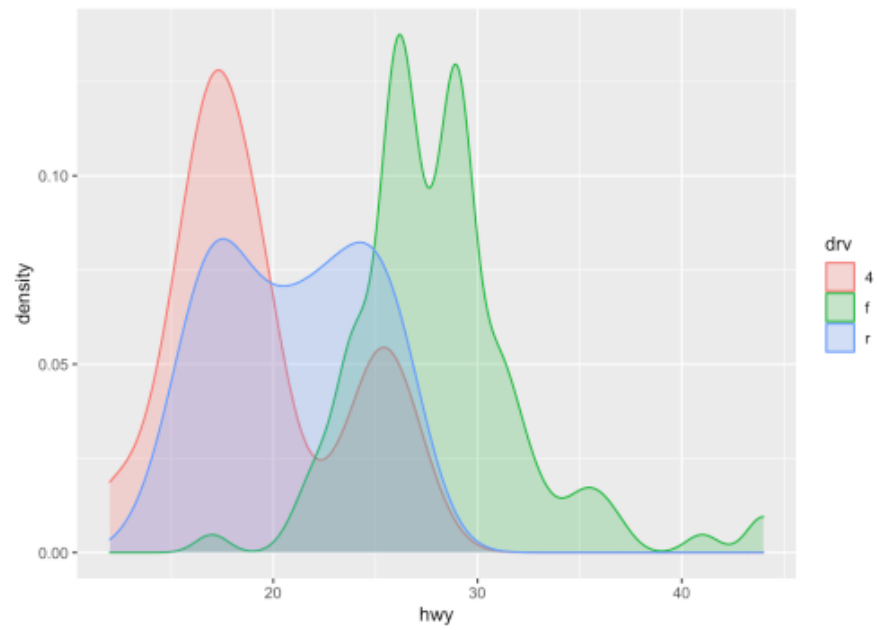

This week's lab is to review the above tutorial and

Reproduce the following 4 graphs – exactly as shown.
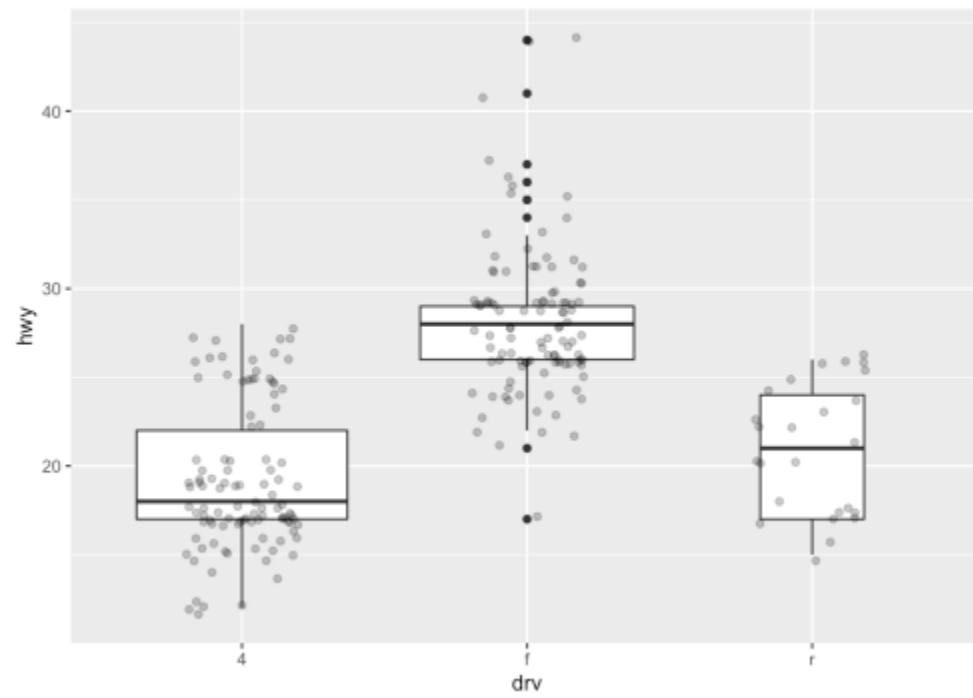

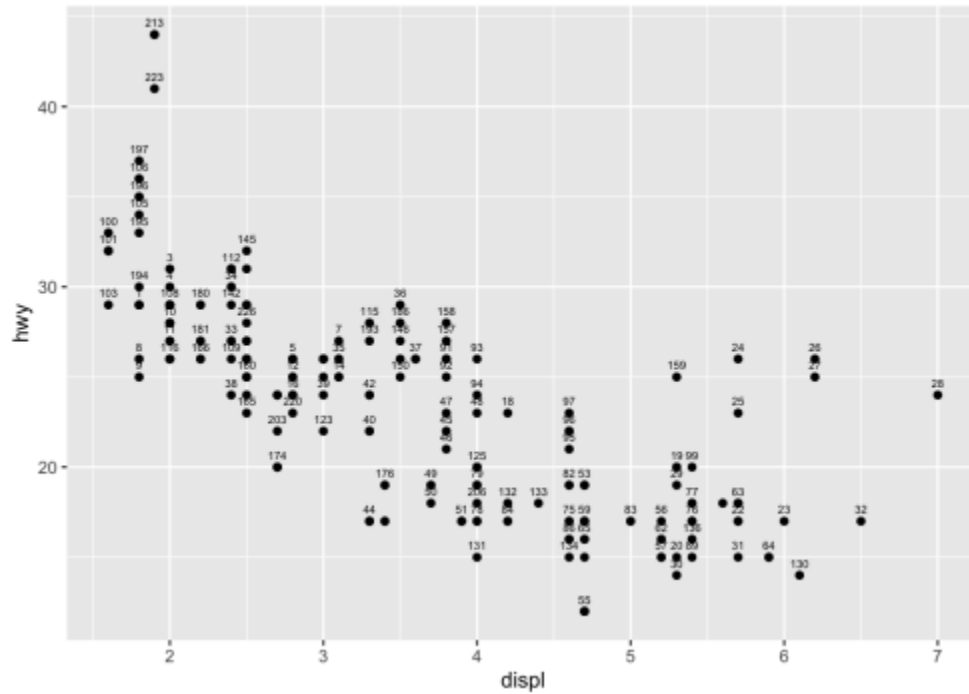

1.
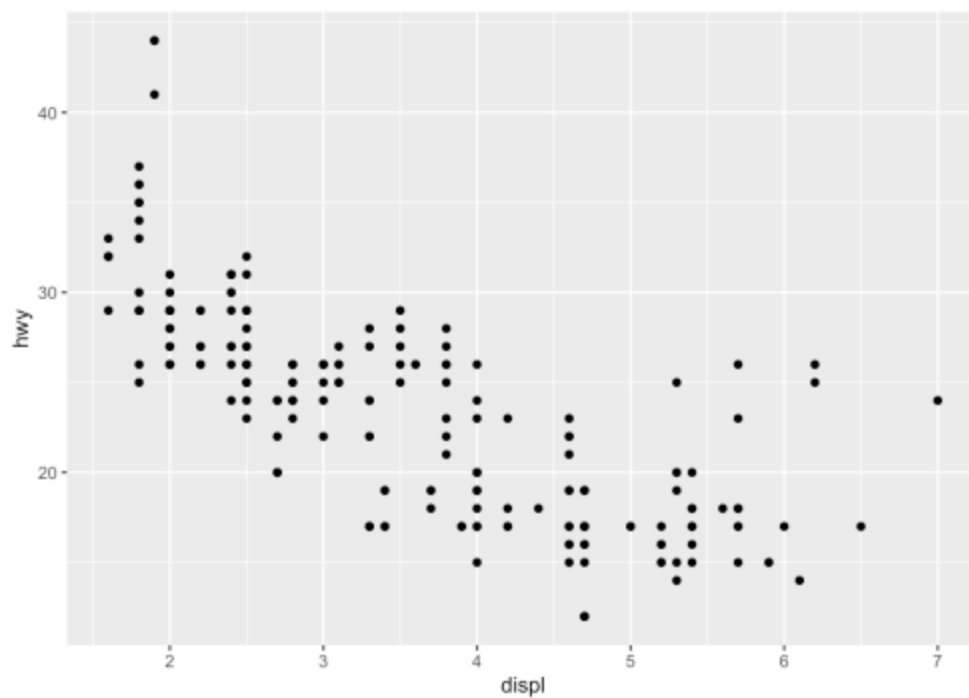

2.

3.

4.

This is easy because the R Code is in the tutorial. But it will give you a good taste of the incredible ggplot2 package's capabilities.

Create the 4 graphs in an R Notebook. Knit to either a Word Document or HTML. Submit 2 files.
The *.rmd file PLUS either a Word Document or HTML.
